

**TFN Sustainable Housing Initiative
Community Workshop #2 – Design Review & Energy Efficiency
February 16, 2010**

1:00PM to 4:00PM

Draft Agenda

TFN members will be encouraged to come to all the tables to share their feedback. We will also distribute a questionnaire for people to fill in to obtain additional feedback.

Table 1: Design Review – Energy Efficiency

- What can/do you do to save energy?
- What energy efficient products are you interested in learning more about?
- Discussion around energy efficient features of the Ty-Histanis homes.

Table 2: Design Review - Houses

- Provide a written summary of changes suggested at the first community workshop.
- Present revised designs.
- Discuss questions and record suggestions for changes.

Table 3: Design Review - Landscaping

- Review the landscape options and ask members for feedback.

Wrap-up

- Next Steps
